

## *Our Promise to Our Members*

### **Hannah the Pet Society will:**

**Always do our best to help the Pet you love** live the longest, healthiest life possible.

**Always work with you, the Pet Parent,** on every aspect of the Pet's care, to keep the Pet that loves you part of your family.

**Always recommend what we think is best** for every Pet's quality of life and their family.

**Never recommend unnecessary care** for any Pet.

**Never withhold necessary care** for a Pet in order to save us money.

**Always do everything we can** to keep you and the Pet you love together.

**Never put any Pet to sleep** without the express consent of the Pet Parent, always keeping the Pet's best interest in mind.

**Always listen to you and then clearly, openly and fully answer** any and all questions about our Hannah Agreement.
